

ID CANDIDATE	ROLE	AVAILABILITY
333198	Senior Go Software Engineer	30 days

PROFILE RESUME

Experienced backend engineer with over 10 years of expertise in designing, implementing, and maintaining scalable microservices architectures. Specializes in Go, gRPC, REST APIs, and real-time systems using Kafka/NATS. Focused on delivering high-quality solutions in high-volume, fast-paced environments.

TECHNICAL SKILLS

Go | gRPC | REST (Gin/Echo) | PostgreSQL | Redis | Kafka | NATS | Protocol Buffers | Docker | Kubernetes | CI/CD | Microservices Architecture | Event-driven Systems | System Design | Unit Integration Testing | Monitoring (Prometheus/Grafana) | Agile / Scrum

EXPERIENCE

Pharma Industry

2022 – Present

Senior Go Software Engineer

- Lead development of high-volume microservices and APIs.
- Optimized system performance and caching using PostgreSQL and Redis.
- Designed inter-service communication via Kafka and NATS.
- Mentored junior engineers and enforced code quality through reviews.

Go | REST | gRPC | PostgreSQL | Redis | Kafka

E-commerce Industry

2020 – 2022

Go Software Engineer / Mid-level

- Developed and maintained microservices handling online transactions.
- Implemented REST APIs for internal and external services.
- Worked on event-driven architecture with Kafka/NATS.
- Optimized PostgreSQL queries and Redis caching for performance.

Go | REST APIs | Redis | Microservices | Kafka

Logistics Supply Chain Industry

2018 – 2020

Go Software Engineer

- Built backend services for tracking and processing shipment data.

- Implemented APIs for partner integrations.
- Introduced Protocol Buffers for efficient inter-service communication.
- Participated in migration to microservices architecture.

Go | PostgreSQL | Redis | REST APIs | Microservices

Telecommunications Industry

2015 – 2018

Junior Go Developer

- Supported development and maintenance of microservices.
- Integrated backend systems with REST APIs and NATS messaging.
- Monitored and optimized PostgreSQL databases.
- Contributed to CI/CD pipelines and code reviews.

Go | REST | PostgreSQL

LANGUAGES

Polish: Native

English: C1

COURSES AND CERTIFICATION

Certified Kubernetes Application Developer

Apache Kafka Fundamentals

EDUCATION

Warsaw University of
Technology

Software Engineering

Master's degree

2013
